

The Kathleen Sutton Fund would like to send a well-deserved **“Congratulations on 75 years of a positive effect on the community, to the Soroptimist International of Sequim” as of May 2022!!”**

The Soroptimist International of Sequim has supported the Kathleen Sutton Fund (KSF) since 2016, with both monetary donations and a large volunteer support. This is priceless, for KSF to continue to reach women in need of assistance.

With its global mission as a volunteer organization that provides women and girls access to the education and training, they need to achieve economic empowerment, along with providing women and girls the resources and opportunities to reach their full potential and live their dreams, it aligns with the Kathleen Sutton Fund to reach out to the community.

The Kathleen Sutton Fund, which reimburses transportation costs to women undergoing treatment for cancer living in Clallam, Jefferson, Kitsap, and Mason Counties, has hugely benefitted from its alignment of mission, with the Soroptimist International of Sequim.

In 2021 KSF assisted 168 women with \$122,475, and specifically 11 women from Sequim received \$10,946 to reach their cancer treatment, with the support of Soroptimist International of Sequim.

You help make difference.

**A Sincere Thank you!**

**The Board of Directors of the Kathleen Sutton Fund, the Community, and each women receiving reimbursement to reach their cancer treatment.**
